

Timing sign up sheet:

http://www.editgrid.com/user/wavemeetdirector/LCM_Champs_timing_schedule

Hello to all!

PNS Champs starts tomorrow (yay!) and PNS teams have been asked to help out with timing during prelims. Wave has lanes assigned during prelims each day of the meet, Thursday thru Sunday.

Timers are needed from 8:30am to about 11:40am each day; Saturday will be a bit longer with the PNS Hall of Fame induction ceremony taking place during prelims. There is a distance event of some sort each day at the end of prelims; timers from teams are not required for those events as swimmers must provide their own timer.

[An online spreadsheet](#) has been created for timer shift sign-ups.

There are 31 swimmers from 27 families swimming in Prelims over the course of the meet. Allowing for parents who will officiate and others who can't be at the meet, figure on timing for 1 - 2 shifts. Swimmers by day are posted on a second worksheet and the time line by day is posted on a third worksheet. Navigate among worksheets by using the tabs at the bottom.

Relays for 11 & Over are all in Finals.

Timers' meeting will be at approximately 8:15am each day.

Prelims will be run double-ended with Odd heats starting at the Dive Tank end and Even heats starting at the Scoreboard end.

I won't be at the pool during prelims. It would be helpful if someone could print out the sign-up sheet for reference during the meet. If the WKCAC Wi-Fi is working, it could be accessed that way as well.

Thanks!

-Linda Chapman
